

NOTICE.

Dated — November 1911.

It is hereby notified that the right of removing manure and night-soil collected at the Transport Lines near Munireddipalyam and also at the Old Sowar Lines (A. Division) from 20th December 1911 to 19th June 1912, will be sold by public auction at 8 A.M., on Tuesday the 12th December 1911 at the Transport Lines, both separately.

Conditions of sale.

1. The sales will be subject to confirmation by the Military Secretary to His Highness the Maharaja of Mysore.
2. And the Corps will retain any manure they may require for their own gardens, etc.
3. The highest bidders will be required to deposit twenty-five per cent of the amount of their bids as soon as they are knocked down to them. If they fail to produce the deposit amount the manure or the night-soil will be resold at once at the risk of the highest bidder or bidders.
4. The full amounts of the purchase money (after deducting the deposits) should be paid by the highest bidders within three days from the date on which the confirmation by the Military Secretary is communicated to them.
5. In default of the payment within the said period the deposit or deposits shall be forfeited to Government, the manure and night-soil being put up for auction and resold at the risk of the defaulter or defaulters.
6. The manure shall be removed for at least a mile from the Lines every day between 5 A.M. and 6 P.M., failing which, it will be disposed of by the Commandant in such manner as he deems fit.
7. The spots where the manure has been collected must be kept clean.
8. The contractor takes his own risk of any loss caused by garden manure as per para 2 or by decrease in the number of men or ponies or their being away from headquarters on Government duty, or from any other cause.

Further particulars may be had at the Office of the Quartermaster, Mysore Imperial Service Transport Corps.

R. G. JONES, LT.-COL., -

*Military Secretary to His Highness
the Maharaja of Mysore.*

BANGALORE DIVISION.

Dated 27th November 1911.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 18th December 1911, 5 P.M., for restoring the Bolappanahalli tank, Closepet Sub-Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1913.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.
3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.
4. Each tender must be accompanied by a deposit of Rs. (500) five hundred only in cash or Government promissory notes, as earnest money, sent separately to the Cashier and be superscribed "Tender for restoring the Bolappanahalli tank, Closepet Sub-Taluk;" in default of which, tenders will be rejected.
5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.
6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.
7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.
8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
